

1. Career Consultancy

What I Offer: As your career consultant, I'll work with you one-on-one to navigate your professional goals. This service is for anyone looking to refine their career strategy, enhance their job search, or develop new skills for career advancement.

- Career path planning and goal setting
- Resume and LinkedIn profile optimization
- Interview coaching and mock interviews
- Job search strategies tailored to your industry
- Professional development advice

How It Will Benefit You:

- Gain clarity on your career direction and next steps.
 - Stand out to recruiters with polished documents.
 - Increase your chances of securing the job that matches your skills and ambitions.
-

2. Tech Recruitment (From Job Posting to Onboarding)

What I Offer: I can assist in recruiting top talent in the tech industry by managing the entire recruitment process. Whether you're a startup or a growing company, I'll ensure the right candidates are hired, with support from job posting to the final onboarding stage.

- Job description writing and job posting
- Screening and interviewing candidates
- Facilitation of the hiring process
- Onboarding and integration support for new hires

How It Will Benefit You:

- Connect with talented tech professionals that meet your needs.
 - Save valuable time by streamlining the recruitment process.
 - Ensure a smooth transition for new employees and a successful onboarding experience.
-

3. Coaching & Mentoring

What I Offer: Whether you're at the beginning of your career or seeking to level up, my coaching and mentoring services are here to provide the guidance and support you need to achieve your goals. I'll be your mentor, helping you with everything from career decisions to personal development.

- Personalized coaching sessions to set and achieve goals
- Guidance on professional development and leadership
- Skill-building advice for career progression
- Strategies for overcoming challenges and personal growth

How It Will Benefit You:

- Receive personalized support that aligns with your ambitions.
 - Build leadership and decision-making skills.
 - Gain confidence in your abilities and your career path.
-

Why Choose My Services?

- **Personalized Support:** I take the time to understand your goals and challenges, tailoring each service to your unique needs.
- **Industry Expertise:** With years of experience, I provide expert advice and solutions in career development, recruitment, and coaching.
- **Holistic Approach:** I focus on your success, whether it's securing the job you want, growing your team, or developing your skills.
